7	8 West of Tracks	9 West of Tracks	10 West of Tracks	11 West of Tracks	12 West of Tracks	13

In an effort to better serve the Residents of Manasquan the town has instituted a leaf collection schedule for the Fall of 2014 as published above.

We ask that you help us be more efficient and safer in our endeavor by helping with a few simple requests:

1. Please do not put leaves in the gutter unless it is your week for collection!
2. Please seek off street parking for the week your section is scheduled. Obviously, cars in the way make it difficult, time consuming and at times impossible to collect the leaves.
3. Please do not mix branches or twigs with your leaves. Branches damage the equipment and add repair costs to the town budget as well as being dangerous to employees.
 - a. Tie any branches in 3 ft. x 1 ft. bundles and put them at the curb (not in the gutter) on the first trash pick up of the week.
4. Please do not mix grass clippings with your leaves. The wet heavy grass damages the equipment and causes it to wear out quickly, causing expensive repairs.
5. Please remove all sports equipment (Basketball backboards, skate board ramps, etc.) from the Borough right of way.
